H. Vernon Post 35 Years

Beginning his career in the science department, Mr. Post found his calling in guidance. His wisdom and compassion have guided many students through issues, scheduling and future plans. The guidance department will never be the same without him. Faculty will be forever indebted to Mr. Post for his invaulable efforts on the negotiating team. Thank you!

Ginny O'Kelly 36 Years

Mrs. O'Kelly, who began her career at EBHS as a member of the Foreign Language Department, later joining the English Department, soon found her place as our student support specialist. As an EBHS alumni, she has made an impact here at the high school for over forty years. She cannot possibly be old enough to retire!

In turn we dedicate our yearbook to you.

East Bridgewater Public Schools

Nick Paone

Mr. Paone has worn many hats here at EBHS throughout his career. Beginning as a social studies teacher in the late 60s, he became audiovisual coordinator and started the very popular multimedia program. He has advised and coached along the way and is credited with starting Homecoming. He has forever made his mark here with his leadership as the President of our Association and will be greatly missed.

HOMECOMING 2003

The day of events brought together the entire community. The festivities began early with a coffee hour in honor of East Bridgewater Alumni serving in the armed forces. They then took part in the annual Homecoming Parade, along with members of the School Committee, two town Girl Scout Troops, and members of many High School organizations. The Class of 2006 won the float contest. The football team put forth a great amount of effort in the game against the strong Hanover squad. During half time of the game, the award winning marching band performed their routine, impressing all. Also, the Homecoming King, Nick Ortenzi, and Homecoming Queen, Jessica Gormley, were announced. All in all, the day proved to be enjoyable to all, ending on a good note with the Homecoming Dance held at the High School.

Special thanks to the staff of the Torch...

This year's staff has been lead by editors Laura Hastings, Jess Gormley, and Kari Davison with help from assistant editors Craig Hastings and Sonya Grossman. Along with our editorial staff, many students, parents, and faculty have contributed time and energy to the production of this book and deserve considerable thanks.

Countless hours have been put into the creation of each and every page. We are very proud of the end result and hope you get years of enjoyment from these pages. It has been an honor to work so closely with this impressive group of students. They have brought a level of organization, dedication, and spirit to the 2004 Torch that you will understand after viewing.

Field Hockey

The 2003 Field Hockey season, showed promise early, starting off the season with sevenstraight wins. The team pulled through with a 12-4-2 record while never losing attorne game during the regular season. The team was led by captains Ashley Miller, Natalie West, Jess Gormley and Jamie Damiano. There were also four members named to the Patrior.

League All-Star team: Ashley Miller, Natalic West, Leara Hastings, and Jess Roberts. This season was one that none of the players will ever forget because of the lasting relationships formed between all the players and the coach. Even with the loss of eight seniors who will be missed, next season shows opportunity for success.

The 2003 golf team was one characterized by its youth and enthusiasim. Its captain, Dillon Hanratty, was the only senior on the team. Junior Jeff Hill was the team's most consistent player, rarely shooting more than one or two strokes above par. He was also named to the all-league team. Craig Hastings, the team's number two player for most of the season, also could be depended upon to play well throughout the season. Sophomore TJ Collins, moved up from the number five spot on the team, to become its number three player. Freshman Alex Hill, and juniors Jim Doucette and Jeremy Hurley, saw their games improve steadily throughout the season. The Viking golf team will be looking to grow next year with the addition of more players. With only one senior graduating, its prospects for improving its overall record look good.

Cheerleading

Throughout the 2003 cheerleading season, this years team has proven their hardwork and determination since the first competition. The team competed in six competitions this season. The season started on November 2, at the Shepard Hill Invitational where the girls took first place. The Patriot League competition was held at EBHS the following day, where the team won the title of League Champions for the first time. At the Revere Invitational, the team was awarded third place, but came back with a win at the Falcon Invitational in Danvers. With some new additions, the team is stronger than ever continue to be successful throughout the season.

Girls Soccer

The 2003 girls soccer team put forth countinuous hard work and dedication throughout the season. The lady Vikings were guided through tough Patriot league match-ups by captains Danielle Beddia, Caitlin Callahan, Alysha Olsen, and Julie Riley. The team started the season strong with an impressive 1-0 victory over Nauset and ended the season on a positive note with a 4-2 victory over Randolph. Alvsha Olsen was awarded the welldeserved honor of being named to the Patriot League all-star team, A solid team will return next year with hopes of continuing in the tradition of East Bridgewater girls soccer pride.

The season started off strong with a win but then the team had a rough time maintaining their winning streak. However, the team stuck together throughout the season even though they did not have a winning record. The captains were Matt Moore, Dan Sousa, and Tim Meighan. The captains are the

ones who kept the team united throughout a rough season. Their record was 2-15-1, defeating Randolph twice and tying Scituate. The returning underclassmen have high hopes of a turn around for next year with many starters returning and a strong upcoming freshman class.

Boys Cross Country

The East Bridge of the Boys Cross Country team continued its unbeaten dual meet per ord to 43 meets this gear before suffering their first defeat in Aplus years. The team was competitive once again in the league and placed four runners on the All-League team: Tom Morgan, All-O'Loughlin, Max

Morgan and Tray's Picklus. The boys continued another tradition by once again qualifying by the All-State champlership inject for the fifth consecute year. The boys team looks to fetter many of their runners to next year y squad and looks again to the storce in the area.

Girls Cross Country

The East Bridgewater girls Cross Country team had a solid season with many of the runners having personal bests. The team was made up of many new runners and the team was comprised of all underclassmen. Unfortunately, due to numerous injuries, the teams' success is not reflected on its overall record. Team captain Kathryn Sims was named to the all-star team and showed she is one of the area's premier runners. The girls will have a solid vecteran team back next year and could contend for the best record for Girls Cross-Country team in EBHS history.

First Row, Vicki Lynch, Ricki Lee Craig, Stephanie Gildea, Vania Chan, Shannon Dednah

Second Row: Coach McCabe, Anne-Christine Kiefer, Shanyna Neumann, Kathryn Sims, Sonia Grossman

Boys Basketball

The boys varsity team started the season with high hopes and expectations. The team was very young and lacking in varsity playing experience, as most were playing at the varsity level for the first time. This fact plus the overall strentgh of the league made wins very hard to get, but as the year progressed, a marked improvement in skills and competitiveness was very apparent. Many games down the stretch were close and could have gone either way. This experience and playing time by our many young players should provide a solid foundation for the future.

Girls Basketball

The 2003-2004 Lady Vikings basketball season began with a young group led by the only seniors, also captains Danielle Beddia and Romara Pearsul. The girls basketball team's record did not nearly reflect the success of the team this season, there were 6 members on the varsity team as well as 4 swing players to help. The starting five consisted of the two seniors, sophomores Jess Damiano and Keri Kingman as well as freshman Jess Roberts. Sophomore Devyn DeDominichi stepped up this seasons as one of the top rebounders. This team of guards soon found their strength in fast-breaking, shooting and with their original inbounds play, "SCAT." Beddia was chosen to be a member of the All-Star team and Pearsull represented the Lady Vikings in the 3-point shooting contest.

For the first time in the Abington/ East Bridgewater Hockey Program, the team captured the South Shore League title. The team was carried by a group of nine seniors, including Jim Sachetta, Matt Kenney, Tim Finch, Bryce Beauredard, and Cory Parker, from East Bridgewater. The team has worked extremely hard over the past four years and deserves all the success they have had. After their first 13 games, the team was able to qualify for the state tournament for the fourth straight time only five total seasons together and are ranked number one in their division. The team would like to thank everyone who put their hard work and effort into creating the program.

Boys Indoor Track

The 2003-2004 Winter track season was a success. The team won the Patriot League Championship for the fourth consecutive season with a 6-0 dual meet record improving the dual meet streak to 29 consecutive victories. As an unexpected bonus, they were the "Finalists" in the State Division IV Eastern Mass. Championship. That is 4 consecutive years that E.B. has been the champion in Eastern Mass. or the Finialist team. The athletes of this team represented E.B. spledidly, exhibiting dedication and superior effort all season. E.B. is one of the most respected teams in the area, not just for their athletic abilities but for their respectful sportsmanlike behavior. The team also placed 6 individuals on the All-League team: Tom Morgan, Norly Prucien, Jeremy Lagerval, Brian Morrill, AJ O'Loughlin and Matt Moore. In addition, Brian Morrill was the State Division IV Shot Put Champion and Tom Morgan placed 2nd in the mile in Division IV and the All-State, breaking the school record and running the fastest mile tim in E.B. school history.

Even though it wasn't a winning season, there were many personal bests and records set. Also, four members of the team qualified for states: Nicole West, Natalie West, Stephanie Egan and Kim Campell. Tennis

The 2003 tennis team showed tremendous effort and skill throughout the year. As captains, Lauren Sheppard, Abby Haines and Katie Findlay, led the team with guidance and determination. Although not portrayed through their record, the team never lost their spirit. This year's tennis team consisted of 14 members, all with special talents and skills. Natalie Hill, Jordan Berman and Katie Findlay primarily held their positions of first, second and third singles. Abby Haines and Lauren Sheppard played first doubles. The rest of the team also contributed much to the team.

Baseball

Beyond their starting third baseman, Jay Baldeck, the 2003 varsity baseball team did not have a returning two-way starter on the field as the season began. However, the team did find young players who took advantage of the opportunity to play at the varsity level. In a very competitive baseball league, the team was able to stay with almost all of their opponents. For example, they played 2 onerun games with Scituate, lost to Middleboro in extra innings, and at the end of the season lost to Hingham, the league champ, 2-0 against arguably the best pitcher in the league.

Finishing with a Patriot League record of 1-11 and overall record of 4-14, the Vikings youth and inexperience were too much to overcome. The prospects for the future are good, however, as there is a strong nucleus of returning players from the subvarsity and the varsity. Having appeared in 14 post - season state tournaments since 1981, the Vikings will be looking to get back to that tradition again in the 2004 season.

Captains Tim Loughlin and Jay Baldeck continued the long tradition of serving as outstanding captains, and Jay was named to the Patriot League All Star team.

The Future

Tomorrow is a mystery...

President's Farewell

Looking back, the years seem to have flown by. Its freshmen, we walked the halls afraid and cautious, but the excitement of a new school and new freedom filled each and every one of us. Dophomore year made all of us much more comfortable with ourselves and our surroundings, no longer being the youngest in the school. Probably the most exciting and most exchausting, junior year went by faster than anyone could have expected. Its seniors, we

gained the confidence of being the oldest in the school as well as the experience to help us move on into the next chapter of our lives. The future now lies ahead, waiting for us to make the first move. Wherever your road may lead, you have control of your success and your failure. I have full confidence that our class will be successful. Motivation, determination and dedication drive every member of the Class of 2004 to a thriving future. I thank you all for the opportunities you have given me throughout my high school years. All of the things that I have accomplished come straight from you, my classmates. I hope that I have left the same impression on all of you that you have left upon me. I wish you all the best of luck in everything you do. No matter what happens, never forget the times you have spent and the accomplishments you have made at East Bridgewater High School.

Sincerely,

Jessica Gormley

A Toast To The Class of 2004

Raise your glass to the sky with the hopes and dreams held high. To the graduates a toast...

Here's to the friends we've lost and gained and the people we'll never know by name. To the bonds that we've made and albums we filled, memories that may fade but never killed.

Here's to the phone calls filled with tears, and to the hours spent talking away our fears. To the people we thought deserved our hearts, whom now we bash and rip apart.

Here's to the pictures in frames with stories to say, that we will be sure to pack when we go away. To the football games we have watched beneath the lights, and our cheers and chants drifting into the night.

> Here's to proms and dances, and high-school romances. To homecoming games, with all the wins in our name.

Here's to late nights we've spent cramming for tests, and mornings where coffee made up for our rest. To the dances and events we took months to create, the night before worries that came too late.

> Here's to the tears we knew we'd cry, to the people and places we say good-bye. To the wild and bizarre things we've done, that we will remember to be most fun.

Here's to the letters we left unsigned, may our identities be revealed all in due time. To the relationships we wonder how we ever lived without, and the crushes we look back on and laugh about.

So now it is time to place our glasses down, put our caps on and turn our tassels around. Listen for our names and let them echo through, and realized how fast these four years just flew.
